### **To all parents/carers and students**

Dear Parent, Carer and Students

I thought it would be helpful for me to write to all students, parents and carers of The John Frost School at this challenging time.

Firstly, I want to reassure our Year 11 and Year 13 students that, although you will feel anxiety about not sitting your final exams, be assured that exam boards are making sure that grades will be set fairly and in a standard way for all students across the country.

To all students at The John Frost School - continue with your studies, checking what work is being set for you on Show My Homework/Hwb. Do whatever you can with the resources you have. Remember, parents aren't teachers, so take responsibility for your own learning and ask teachers for the support you need to understand whatever topic you're struggling with.

To parents – the wellbeing of your children and of you as parents is one of my primary concerns at this challenging time. I am aware of the tremendous strain a lot of you will be under at this time.

When this lockdown ends and schools are reopened, be assured that I and my staff will be here ready and waiting to welcome your child back to school and to continue doing what we do so well, taking care of them, teaching them, nurturing their various talents and preparing them to go out into the world as successful young people.

Our school motto 'Carpe Diem', or 'Seize the Day' has never felt more appropriate than now – let's all focus on each day and not get overwhelmed worrying too much about the things in the future over which we have no control.

Take care.

Mr M Tucker
