### To all parents and carers

Dear Parent/Carer

### Information regarding Covid procedures

I would like to thank all parents and carers for their support in these challenging times. As you know, when we have a positive Covid case identified for a student in school we have to follow Welsh Government and Newport City Council guidance.

However, I do need to clarify some points that will help us to ensure that the risks are reduced.

Firstly, it is absolutely essential that if any member of your household displays Covid symptoms or goes for a test, the whole household must isolate immediately whilst they await the test result. **No student must come to school if they or a household member is awaiting a test result or displaying symptoms.**

Secondly, if a positive result is received for a student the parent needs to inform the school immediately by telephoning 01633 654111 (24-hour message line). A copy of the result should also be emailed to [edwardsL349@hwbcymru.net](mailto:edwardsL349@hwbcymru.net) **Please send this information to school as soon as you receive it, even in the late evening.** We are able to message parents out of school hours. This will prevent the disruption of students coming to school and then being sent home.

By following these guidelines, it will enable the school to liaise with Environmental Health to identify which students need to self-isolate and the period of isolation.

By us all following these guidelines, we can all work together to prevent the spread of coronavirus.

Yours sincerely

Mr M Tucker  
Headteacher
