Dear Parent/Carer

Blended learning

It is essential that Year 10 students continue with their learning whilst in isolation. Teaching staff are uploading work for Year 10 students into our digital learning platform (Hwb). For your child to access student work from home, please get them to follow the instructions below.

1. Login to **Hwb** using <https://hwb.gov.wales/>
2. Once logged in, please click on **Office365**, which is on the main Hwb dashboard.
3. On the Office365 dashboard, please select **Teams** and the appropriate class using the specific class code. Please note, your child will only be able to see the classes to which they have been assigned (in their 2020 lesson timetable)
4. All blended learning that has been issued will be visible within each **class Team**.

If your child experiences any difficulties accessing Hwb, then please email the school at:

6804020_reception@hwbcymru.net

giving your child's name, address and form so that we can establish what the issue is.

Yours sincerely

Mr M Tucker
