Dear Parent/Carer

I have received the following advice from Newport City Council.

In agreement with Welsh Government, local authorities can consider allowing schools to move to blended learning for a phased return. There is a recognition that levels of Covid transmission are currently increasing within communities and that this may impact on a school's capacity to provide face to face learning for all students in the return to school.

Newport primary and secondary schools will operate blended learning during the first week of term (January 4th-8th) with an intent of face-to-face teaching resuming on Monday 11th January.

Therefore, The John Frost School will be closed to students from 4th to 8th January 2021. We will be providing blended learning via our online digital platform (Hwb). Our use of live lessons in certain subjects on certain days will resume from 6th January, but teachers will provide work on Teams from 4th January. We will re-send information about accessing blended learning.

I would like to thank you for your continued support in these very challenging times and wish you a happy and safe Christmas holiday.

Yours sincerely

M Tucker
