Mark Tucker BA MA

26 March 2021

Dear Parent/Carer

As I am sure you are aware, The Welsh Government announced that secondary school students in Wales would return to school in full from Monday 12th April 2021.

We have therefore updated our risk assessments in line with the new operational guidance from Welsh Government to ensure the school remains a safe environment. Students will be expected to wear masks on school transport and when they are not able to socially distance (this will include inside classrooms and around the site). We would ask that all students bring a 3 ply mask to school every day.

We are also able to offer lateral flow testing for all students in Years 10 – 13. Participating in the scheme is recommended but not compulsory. If you have not yet returned a permission form, please complete it and ask your child to deliver the form to Student Reception.

On our return we are delighted to be able to offer full canteen facilities for students.

School buses will run as normal to ensure students are able get to school and return home.

Students are expected to wear full school uniform.

We look forward to all our students returning to school after the Easter holidays. Please stay safe.

Yours sincerely

Mr M Tucker
Headteacher
