22 October 2021

Dear Parent/Carer

I have been notified that Gwent Incident Management Team has taken the decision to move all schools in the region to the **'very high'** level outlined in the *Local Covid-19 Decision Making Framework for Schools*. As a result, we have reviewed our risk assessment and made the appropriate changes.

The following additional measures will be introduced when students return to school after half term on Monday 1st November 2021.

1. All students and staff (unless exempt) must wear masks in all indoor areas.
2. All students and staff (unless exempt) must wear masks in classrooms.

Students must continue to wear masks on school transport. We would ask that all students bring a 3 ply mask to school every day.

Parents should not visit the school site during the day unless they have a pre-arranged appointment and any visitors to site must continue to wear a 3 ply mask.

We would recommend that all students participate in twice weekly Lateral Flow Testing throughout the half term break and continue this into next term.

Please stay safe.

Yours sincerely

Mr M Tucker
Headteacher
