

YEAR 7 NEWS

THE JOHN FROST SCHOOL

JULY 2024

As we finish the summer term, we reflect with pride on the journey Year 7 have gone through in the last year. I have thoroughly enjoyed getting to know students and I am constantly inspired by their kindness, enthusiasm for school and determination. Summer term featured exciting events for our school community , including;

A magical day at Harry Potter Studios. Our students had an unforgettable experience exploring the enchanting world of Harry Potter. From stepping onto iconic sets to seeing the spellbinding costumes and props, every moment was pure magic. From casting spells to riding broomsticks, the day was filled with laughter, wonder and a deeper appreciation for the art of filmmaking!

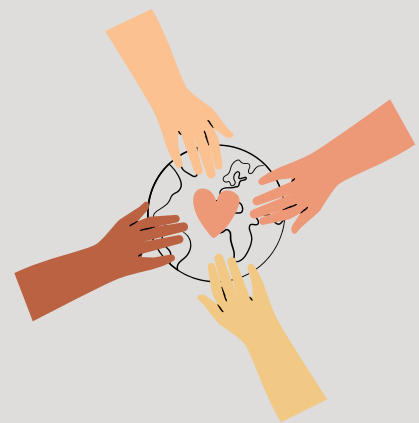

A great weekend spent at Condover Hall, Shrewsbury, for this year's Football & Netball Tour. Well done to all students who attended and represented the school so well. Staff who attended the trip were extremely proud of the effort and hard work showed by our Year 7 students.

Our Enrichment Days allowed students to explore new activities and develop skills outside their usual curriculum, emphasising the importance of a well-rounded education. Over 180 students visited Margam Park and had great fun seeing the animals and touring the site. Students sat and had a picnic and played team building games with their peers. Students were impeccable and a great time was had by all.

Culture Day 2024 was another wonderful day of the year. A wide range of cultures represented with stalls; with singing, dancing, music and celebrating. Students were truly able to embrace their own and the cultures of others within The John Frost School community.

Sports Day brought students together in a celebration of athleticism and school spirit, with impressive camaraderie and sportsmanship.

Moridiat winning Victrix Ludorum.

We have been incredibly proud of the sporting achievements of Year 7s this term.

Congratulations to Year 7 students Finley and Lenny for receiving their ties for Newport & District Schools FA U12s. Well done on an excellent season boys!

Congratulations to the Year 7 rugby team for winning the Newport Plate competition in a brilliant final against Gwent Is Coed School. They scored 6 fantastic tries to run out winner 42-10.

The English department hosted their 'Poetry by Heart' competition which saw eleven students take the stage to perform a rehearsed poem of choice to their year group. This competition allowed students to improve their oracy skills and showcase their love for poetry. It was amazing to see our students shine and it was a very close competition! In the end, our esteemed judges chose Grace as the winner!
