To all parents/carers of students

Dear Parent/Carer – Schwmae

I am writing to inform you of the *Siarter Iaith* framework. This is a **Welsh Language Charter**, a government lead project to encourage the use of the Welsh language in school and the wider community. We are committed to imbedding and developing the '*Siarter Iaith*' at The John Frost School.

The Welsh Government aims to have a million Welsh speakers by 2050. This is a long-term aim and the education system has a key role to play in achieving it.

The aim of the *Siarter Iaith* framework is to embed positive habits and attitude toward the language and to promote the use of it among students both inside and outside of school.

To support the development of the framework, The John Frost School is working to achieve the **Bronze Cymraeg Campus** award. The aim of *Cyraeg Campus* is to increase the use of Welsh and Welshness within the school, support the development of bilingualism, promote a strong Welsh ethos, provide a range of enrichment activities and experiences and encourage students to enjoy learning Welsh.

The school is aiming to achieve the Bronze Award in the summer term. We would like to ask for your continued support in achieving this award. Some events have already taken place in school and we are planning several activities and experiences over the next few months to help us achieve this.

We will keep you informed with updates and developments throughout the year and thank you for your support. Diolch yn fawr.

Yours sincerely

Mr M Tucker
Headteacher
