Headteacher's Update

Dear Parent/Carer

Y11 and 13 Celebrations

I am pleased to report that we will be holding the Y11 Record of Achievement Ceremony on **21 June** and students, as per The John Frost tradition, will be drummed out of school just before lunchtime. Parents/carers of Y11 students have received a separate communication about this event. Y13 will take part in a leavers ceremony and picnic in the grounds on **17 June**. We are very much looking forward to this special event and again, parents/carers have received a separate communication about this. Sadly, our Y11 and Y13 proms cannot run this year, but we will do all we can to make the celebration events we can hold special for the students.

Y7 photographs

Color Foto will be joining us on **23 June** to take photographs of our current Y7 cohort. Details will be sent to parents/carers about how to purchase these photographs. Please do ensure that your child looks extra smart in their uniform on this important day.

Library Renovation

You will be aware that our Accelerated Reader programme has gone from strength to strength in the last three years and this summer we will be undertaking a full renovation of our Learning Resource Centre (which includes our library). We continue to stock the latest reads suited to all ages and abilities and invest heavily in developing a culture of reading for pleasure in our school.

The School Site

We continue to make significant improvements to the school site and I do hope that soon, we can welcome parents to the school to see for themselves how wonderful it is looking.

Reception Staff

These marvellous members of our school community are often the first people to deal with parents and students. They are there to support, often in times of anxiety or crisis. Please be mindful that they always do their very best for parents and without them the school is unable to run smoothly and support families as effectively.

Please do stay safe and take care.

Yours sincerely

Mr M Tucker
