Headteacher's Update

Dear Parent/Carer

A very warm welcome back

It has been absolute pleasure to welcome back all of our students to The John Frost School this September. Students look incredibly smart in their uniforms and we would like to thank parents and carers for their support in ensuring the students are wearing full uniform every day.

Site/Resource Updates

As you are aware we continue to invest heavily in the school site, ensuring it is well presented and maintained so that our students have the best possible experiences here. Every classroom has now been fully refurbished and we have spent a significant proportion of our budget on ensuring the most up-to-date ICT facilities are available for our students. Several of our departments are now 'paperless', working solely through Chromebooks, as opposed to exercise books, using the popular One Note App. We have also provided every sixth form student with their own Chromebook for use while they are a student here. Digital exclusion is an area of huge import to us as a school, and we continue to ensure that all of our students have every opportunity to use digital technology effectively.

World Homeless Day (10 October)

It is vital that we educate our young people about the experiences of others in our society, and for this reason, students will be investigating the issue of homelessness with their form tutor in the coming days. This work will culminate in a 'Wear Red' day for homelessness on Friday 8 October. On this day we ask students to replace one item of uniform with one red item. More information will be sent separately about this day, including the voluntary contribution to charity we would ask students to make on this day.

Extra-Curricular Activities

Yesterday we had over 100 students attending an extra-curricular club after school. We are delighted to see our students making the most of all of the opportunities available to them. We are currently obtaining feedback from students regarding any barriers to attending extra-curricular activities (we know transport could be one of these) and we will work closely with our students to ensure that they feel able to attend clubs that suit their skills and interests.

Yours sincerely

Mr M Tucker
